

# Pre-construction move out checklist

- Find a short-term rental and a storage unit
- Plan the "how" (find boxes, hire movers, reserve a truck)
- Make a furniture checklist (*what to keep and what you'll need to sell*)
- Set a budget for your post-renovation furnishings
- De-clutter while packing all non-essentials
- Donation and/or dump run
- Move nonessentials into storage
- Prepare garden and move plants
- Pause utilities like garbage, recycling, and wifi
- Forward your mail
- Pack up the rest and move out
- Make key copies
